G. P. 22-17-7

OFFICE OF THE SUPERINTENDENT,
GOVERNMENT PRESS,

Dated Bangalore, 12th December 1918.

17297

FROM

D. B. RAMACHANDRA MUDALIAR, Esq.,
SUPERINTENDENT, GOVERNMENT PRESS,
BANGALORE.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to Government of Mysore,
B A N G A L O R E.

SIR,

I have the honor to submit the following points with reference to the G.O.No. G.7248-300/G.P.22-17-6 dated 10th October 1918 regarding the reduction of work in the Press.

1. The paper used for the Gazettes in British India, although inferior in quality, is slightly costlier than the 16 lbs double foolscap now being used as already intimated in letter No. 2616 dated 1-6-18 addressed from the Stationery Depot. The paper now being used is thin and inferior enough for all practical purposes and now that the War is over, the 16 lbs. paper -- now being used may be kindly ordered to be continued.

2. Orders having been passed by Government for printing Arthasadaka Patrike in the Government Press for another year, the work is being attended to but I beg to state that it cannot be continued to be printed in the Government Press without prejudice to Government work more especially in the Kanarese Branch.

3. The work of examining forms and registers is proceeding and as it is a labourious work another report will be submitted later on in June 1919.

4. The work of standardising the forms is also progressing and a report will be submitted in due course in June 1919.

5. Steps are being taken to examine the standing forms and

and to take stereos of such of them as do not require changes.

6. The number of forms indented for by the various officers is being carefully examined and a suitable reduction up to 50 per cent made in the number asked consistent with previous ~~reply~~ supply.

7. Every effort is being made in the Press to economise paper and to tide over difficulties.

8. Correspondence in the matter of utilising answer paper for pulling proofs is going on between the University authorities and Government and the decision of Government in the matter is awaited.

I have the honor to be,

Sir,

Your most obedient servant,

Superintendent,

Government Press.

2 Mysore Gazette may be printed on paper of the same quality as that used for the Gazettes in For India	The paper used in For India is costlier though inferior in quality to that used in the double foolscap which is being used here. This is quite inferior enough to show that the one is over the other paper may be ordered to be continued.
3 Printing of Artha Sadhaka Patrika in the Govt Press	The work is being attended to but it cannot be continued to be done without prejudice to Govt work especially in the Kannada Branch.
4 Examination of Forms & Register	The work is proceeding but as it is laborious, another report will be submitted in June 1919
5 Standardization of Forms	—oo—
6 Preparation of Stencils for Standing forms	Steps are being taken

Mysore Sanctioned

Mysore asked to be sent a regular Press Record

He was asked that he proposed in the last Mysore like the end of 1919. The Supt requested a Revision of the Branch of the Press

I think the proposal is right. The period may be limited to 5 or 6. 6. 1919

Government are pleased to direct that the Mysore Gazette be printed on 16 lbs. double foolscap paper as at present.

3. In regard to the Arthasadhaka Patrika, ordered to be continued to be printed at the Government Press till December 1919, in G.O. No. G. 9279-88/P & S 35-18-3, dated 23-11-18, the Superintendent represents that owing to very heavy work in the Kanarese Branch of the Press, it is not possible to do so. Government agree with him, but as sufficient time has to be given for other arrangements being made in the matter, they direct that the printing of the said Patrika be continued in the Government Press till the end of June 1919. From 1st July 1919 the said publication must be arranged to be printed elsewhere. The Secy Sx is requested to make the necessary arrangements for the purpose.
